

## 2020 Turkey Basket Project

We are excited to partner with our community to provide Thanksgiving dinner for those in need. To be able to work together to help others is especially important and a special privilege this year, after months of isolation. Our Turkey Basket Project team consists of North Presbyterian Church, Congregation Shir Shalom, Temple Beth Zion, and Williamsville East High School. Additionally, we are solidifying partnerships with area businesses and civic groups.

Each basket contains the following:

- 1 frozen turkey
- 1 stuffing mix
- 1 can cranberry sauce
- 2 cans of vegetables
- 2 cans of fruit
- 1 bag of potatoes
- 1 dessert (cake mix with frosting, or brownie mix)

Canned goods will be sorted by Williamsville East High School students on Friday, 11/20/20. Baskets will be assembled in the church hall on Saturday, 11/21/20 at 9 am. Area agencies who distribute the food will pick up baskets on Sunday, 11/22/20, starting at 9 am.
