Lincoln Parkway

Bird Ave

Parking Information

- Congregation Beth Abraham is located near the corner of Bird Avenue, between Mr. Pizza and Panos.
- Bird Avenue is one way heading west towards Elmwood from Lincoln Parkway. Please note that Bird switches directions on the other side of Elmwood Avenue so you can not continue straight across Elmwood.
- Lincoln Parkway has a service road on each side that allows two way traffic.
- A good place to park is to take Forest Avenue to Lincoln Parkway, and park on the service road close to Bird Avenue. There are usually spots there and it is not a far walk up Bird to Elmwood.
- You can also turn up Bird and look for a closer spot but Bird fills up quickly.
- If you want to drop off in front of the shul you can continue down Elmwood, turn right on Forest, turn right on the Lincoln Parkway service road, and then park near the intersection with Bird Ave.
- There is also a very small public lot on Forest Avenue immediately behind Elmwood Avenue, right behind the Subway shop at the corner.

Thank you for joining us at the little shul!
