

## Congregation Beth Abraham Book Club

Please join us on Zoom on Wednesday at 8 pm when the CBA Book Club will be meeting to discuss Blood from the Sky by Piotr Rawicz.

Copies can be purchased through book sellers on the internet.

Here is a summary of Blood from the Sky excerpted from Pakn Treger:

*Sitting in a Paris café in 1961, a Ukrainian Jewish refugee unravels his memories of some twenty years earlier, beginning with the order of expulsion from his native town to his liberation from Nazi imprisonment upon “proving” he is not a Jew. The novel serves up its story of surviving Hitler’s manhunt in a tortured, surrealistic style that corresponds to the nightmare it recounts.*
